

Good News!

Marina Dental of Petaluma is officially reopening on July 6th! We are so excited to get back to providing excellent care to our loyal patients.

For now, we will be operating under an adjusted schedule to allow time for our updated protocols. If your appointment was cancelled within the past few months due to COVID-19, please know that we will be reaching out to you very soon to get you rescheduled. We will do our best to prioritize the care of our patient which means we will be reaching out to emergent, high risk and longest overdue patients first!

We are incredibly grateful for the patience and understanding that our patients have shown us! Providing safe, high level care to our patients has been and always will be our top priority!

We will see you soon!

With Care,

Dr. Rosenthal and Marina Dental Team
